

## Countdown Measurement Priorities Roadmap, 2018-2020

| <b>Measurement priorities for Women's, Children's, and Adolescents' Health</b>  |  |
|---|--|
| <b>Coverage</b>   | <b>Equity</b>  |
| <ul style="list-style-type: none"> <li>○ New coverage indicators for priority interventions</li> <li>○ Innovative analytical methods for measuring effective coverage (linking available data sources, associations between quality-adjusted coverage and health impact, client experience measures)</li> <li>○ Use of health facility and other routine data for coverage and quality of care measurement</li> </ul> | <ul style="list-style-type: none"> <li>○ Equity analyses on priority interventions for which new indicators and data are available</li> <li>○ Improved methods to analyse key dimensions of inequality to better identify those that are left behind within and across countries</li> <li>○ Analyses on additional dimensions of inequality highlighted in SDG 17.18</li> </ul>              |
| <b>Drivers</b>  | <b>Nutrition</b>   |
| <ul style="list-style-type: none"> <li>○ Context measures that drive coverage change (e.g., gender, community engagement)</li> <li>○ Governance measures (e.g., public sector quality improvement, multisectoral collaboration)</li> <li>○ Approaches to assess the private sector (e.g., use and quality; commercial interests)</li> </ul>   | <ul style="list-style-type: none"> <li>○ Core set of coverage indicators of nutrition-specific interventions</li> <li>○ Effective coverage measures to capture complex interventions</li> <li>○ Use of routine administrative data systems to capture information on nutrition programs</li> </ul>   |
| <b>Pregnancy outcomes and maternal health</b>   | <b>Adolescent health</b>   |
| <ul style="list-style-type: none"> <li>○ Use of health facility data to measure birth outcomes</li> <li>○ Innovative methods to capture non-fatal maternal and neonatal outcomes</li> <li>○ Improved methods for measuring abortion outcomes, safe- and post-abortion services</li> </ul>   | <ul style="list-style-type: none"> <li>○ Core set of indicators including mental health, nutrition and SRH</li> <li>○ Approach to track domestic and international investments for adolescent health</li> <li>○ Improve existing data collection methods including new data platforms</li> </ul>   |
| <b>Conflict settings</b>  | <b>Early Childhood Development (ECD)</b>   |
| <ul style="list-style-type: none"> <li>○ Improved methods to capture coverage among non-refugee populations including national surveys</li> <li>○ Conflict typology and standardized metrics of women, children and adolescent health related coverage</li> </ul>   | <ul style="list-style-type: none"> <li>○ Core set of coverage indicators for ECD interventions, including data collection instruments and analytical approaches</li> <li>○ Summary measure(s) of ECD</li> <li>○ Outcome measures for ECD interventions that are standardized and can be used in routine systems</li> </ul>   |
| <b>Countdown to 2030 main delivery strategies</b>   |  |
| <b>Technical work</b>   | <b>Regional initiatives</b>  |
| <ul style="list-style-type: none"> <li>○ Coverage, Equity and Drivers working groups, with special attention for nutrition, conflict, ECD, adolescent health</li> <li>○ Survey analysis capacity and database at Pelotas</li> <li>○ Technical Inputs into global reports and events, and into standard setting work by WHO</li> <li>○ Technical work to advance the WCAH agenda in the context of UHC/SDG</li> </ul>  | <ul style="list-style-type: none"> <li>○ Generate evidence with regional and country institutions (networks in Latin America &amp; the Caribbean, East and Southern Africa, and West and Central Africa)</li> <li>○ In-depth regional and country analyses</li> <li>○ Strengthen analytical capacity in regional and country institutions</li> <li>○ Expand to additional regions</li> </ul> |
| <b>Platform for technical collaboration</b>   | <b>Dissemination &amp; Communication</b>   |
| <ul style="list-style-type: none"> <li>○ Link with networks, partnerships and consortia</li> <li>○ UN collaborations at global, regional and country levels</li> <li>○ Link with research networks and initiatives, including implementation research</li> </ul>  | <ul style="list-style-type: none"> <li>○ Collaboration with PMNCH, UN agencies and regional partners</li> <li>○ Scientific papers, global report 2020, UNICEF/CD country profiles</li> </ul>   |
